

Ignite Media CMS

Ignite Media CMS - An On Demand Portal Foundation for Online Publishing and Advertising Management

Set the online standard for your industry with Ignite Media CMS. Our complete portal based CMS solution does a great job of managing the content needed to make your website sing and to completely integrate your offline print content into a powerful advertising revenue engine. The true power of Ignite Media CMS lies in the application framework that makes it possible for either Ignite Media developers or your own in house developers to create powerful add-ons and extensions. Here are just some examples of the built in capabilities of Ignite Media CMS:

- Dynamic form builders
- Business or organizational directories
- Document management
- image and multimedia galleries
- E-commerce and shopping cart engines
- Forums and chat software
- Calendars
- Blogging software
- Directory services
- Email newsletters
- Data collection and reporting tools
- Banner advertising systems
- Subscription services
- and many, many more
